PIDW Worldwide Ministries

Worldwide Ministries' work:

- Equip people for Evangelism and Discipleship
- Community Planting training – equipping people to create rapidly multiplying Christian groups in hostile settings
- Train indigenous leaders for Church Planting Movements
- Training for group outreach domestically and internationally using non-traditional methods
- Organize International service and ministry trips for spiritual and humanitarian purposes
- Train lay counselors for the emerging churches as well as personality-type counseling for staff and individuals
- Create platforms for witnessing and ministry through international service opportunities such as teaching English as a second language
- Mobilize prayer and financial resources for team members, partner members and indigenous workers overseas

Our organization is comprised of partner ministries doing work all over the U.S.A. and other parts of the world. Currently our primary focus is in China. We are a faith-based ministry trusting God to fund our trainers and projects.

Partners in Development

Worldwide was created to provide a funding channel for small and/or emerging ministries. PIDW has a mission to provide resources, training, and communications for partner ministries to fulfill the following goals:

- relieve human suffering and poverty
- share the teachings of Jesus Christ
- develop leaders and creative strategies to meet the social, emotional, educational, and spiritual needs of people
- to provide partner missionary and outreach programs the advantages of a 501(c)3 organization with free financial services

Please visit www.pidw.org to see our partner ministries.

Developing Resources for Emerging International Ministries

Through diverse relationships we have received invitations to provide training in China, South Africa, Zimbabwe, India, Canada and Tanzania.
